INSTANT LICENSE Dubai

What is Instant License in Dubai?

In July 2017, UAE Government announced the facility of Instant license in Dubai to enable businessmen to obtain their Trade license (Commercial or professional) in just one step within five minutes.

The Business Registration & Licensing (BRL) division in Department of Economic Development (DED) in Dubai come up with the option to setup a business in Dubai in just 5 minutes using instant licensing service, curtailing 3 main requirements to make it easy and quick for the investors to register a company in Dubai & start their own business.

Now you can go for [business setup in Dubai](#), UAE in just one step without the need of following three traditional requirements:

- ♦ *Without Contract/ MOA*
- ♦ *Without Trade Name Registering*
- ♦ *Without Rent Contract/ Tenancy Contract*

Traditionally, getting a trade license in Dubai may take one to three months or even longer depend on the activity and requirement set by the Dubai Economic Department. Most time taking requirement to meet in forming a company in Dubai is to have a tenancy/Rent agreement for the office space. From choosing a perfect location to finding economical space to run business operations, making it a lengthy procedure. It can be increased by the further time needed to get the approvals from DED to obtain a business license.

Why Should you go for Instant License Dubai?

- ♦ **Time Saving**
- ♦ **Hassle-Free**
- ♦ **Less Paper Work**
- ♦ **Cost-Effective**
- ♦ **Opportunity to Explore Market**
- ♦ **Award Winning Service**

The instant license Dubai is introduced by DED to help investors in obtaining a trade license in just 5 minutes, making it easy to invest in Dubai and attracts the investors by offering a one year grace period to do the business without lease agreement and Memorandum of association. This instance license option is offered in line with the vision of making Dubai a business hub of the world.
